

All Sing Hallelujah

Aaron Niequist

The Devil's tryin' to steal-a-my – joy, joy, joy
But God has not forgotten my – cry, cry, cry

So let's all sing Hallelujah
Let's all sing Hallelujah
Let's all sing Hallelujah
God has not forgotten my cry

My heart keeps threat'ning to – break, break, break
My hope keeps slippin' a – way, way, way

So let's all sing Hallelujah
Let's all sing Hallelujah
Let's all sing Hallelujah
My hope keeps slippin' away

I'm swimmin' in a sea of my – tears, tears, tears
But God keeps drownin' my – fears, fears, fears

So let's all sing Hallelujah
Let's all sing Hallelujah
Let's all sing Hallelujah
God keeps drowning my fears

Let's lift glory to Heaven
Let's lift glory to Heaven
Let's lift glory to Heaven
My hope keeps slippin' away

So let's live like we believe it
Let's live like we believe it
Let's live like we believe it
God has not forgotten our cry
God has not forgotten our cry
God has not forgotten our cry
