

Bend My Knee

by Aaron Niequist

I'm not gonna bend my knee to anybody but you;
I'm not gonna bend my knee
I'm not gonna bend my knee,
I answer only to You,
I'm not gonna bend my knee
To anybody but You!

You are the only God who could build an ocean,
You are the only God who is here right now.
You are the only path that can lead to Heaven
You are the only One who can save me from Hell.
And I am here to tell You loud and clear!

I'm not gonna bend my knee to anybody but you;
I'm not gonna bend my knee
I'm not gonna bend my knee,
I answer only to You,
I'm not gonna bend my knee
To anybody but You!

You are the only God who can fix the broken.
You are the only One who can heal my hurts.
You are the only Love free of all conditions
You are the only One who deserves my life.
And I am here to tell You
loud and clear!

I'm not gonna bend my knee to anybody but you;
I'm not gonna bend my knee
I'm not gonna bend my knee,
I answer only to You,
I'm not gonna bend my knee
To anybody but You!

You are the only One who is wholly Holy.
You are the only Power that can change my heart.
You are the only God I will praise forever
You are the only God I will worship now.
And I am here to tell You loud and clear!

I'm not gonna bend my knee to anybody but you;
I'm not gonna bend my knee
I'm not gonna bend my knee,
I answer only to You,
I'm not gonna bend my knee
To anybody but You!

I'm not gonna bend my knee to anybody but you;

I'm not gonna bend my knee
I'm not gonna bend my knee,
I answer only to You,
I'm not gonna bend my knee
To anybody but You!
