

Carry Each Other

Aaron Niequist

Life is not ment to live, On shoulders and shins –
All alone. It's too heavy to hold.

We need the arms of a friend, Again and again –
To be strong. And walk with us ahead.

Love is not ment to live, On tongues and on lips –
All alone. We gotta let our love show.

In how we give and we hope, And make His way known –
Redemption's calling!

If we are a temple – then I am a stone
If we are a body – then I am a bone
If we are community – then I'm not alone
I'm not alone, and You're not alone,
We're not alone. . .

We need to carry each other! (x4)

God has made us to be, A new family –
Of His blood. For eternity.

From every nation and name, The call is the same –
Love and unity!

Different **loves** and Different **pasts**
