Deeper than religion
Deeper than belief
Deeper than tradition
Deeper than our need

Deeper than conviction
Deeper than all proof
Deeper than restriction
Deeper than the truth

You are – deeper – You are

Deeper than defending
Deeper than control
Deeper than pretending
Deeper than we know

Deeper than the bible
Deeper than the text
Deeper than revival
Deeper than what's next

You are – deeper – You are
You are – deeper – You are

**You're the love and You're the peace
and You're the hope that we all need –
You're fully underneath the mystery**

**Our widest words cannot explain
You're wild and cannot be contained –
So unencumbered by theology
(The loving ground of all reality)
You're fully underneath the mystery**
