

Matchless

Troy Hatfield

Long before
Our time began
Long before I was
Heaven rang--creation rang
The matchlessness of God

Majesty unspeakable
We boldly bless Your name
In awe of love--in awe of grace
The God, the man who came

Praise to the constantly unchanging

You were
You are
And You will be
You were
You are
And You will be

God even though immutable
Revealing still today
The story moves--our parts still prove
Significant in ways

We praise the constantly unchanging

You were
You are
And You will be
You were
You are
And You will be

Beauty, glory
Just and holy
Righteousness and truth
Faithful leader, gentle healer
Matchless God are You

Beauty, glory
Just and holy
Righteousness and truth
Faithful leader, gentle healer
Matchless God are You

You were
You are

And You will be
You were
You are
And You will be

Hallelujah
Hallelujah
Hallelujah
Hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah
