

## **Psalm 139**

Aaron Niequist

Search me, O God  
And know my heart today  
And test me and know all my thoughts.

Show me, O God  
The wickedness in me  
And wash me and lead me to You.

So search me.  
And know me.  
And test me.  
And show me.

And wash me.  
And heal me.  
And hold me.  
And free me.

I need You.  
I need You.  
I love You.  
I need You.

Search me, O God  
And know my heart today  
And test me and know all my thoughts.

Show me, O God  
The wickedness in me  
And wash me and lead me to You.
