

Yours

Aaron Niequist

The earth is the Lord's
And everything in it
The world is the Lord's
And all who live in it

And I am Yours
I am Yours - forever
I am Yours
I am Yours - forever
(repeat)

The earth is the Lord's
And everything in it
The world is the Lord's
And all who live in it

And we are Yours
We are Yours - forever
We are Yours
We are Yours - together

For God so loved the whole wide world, He came
To heal the lost and broken, to proclaim
That hope is near and love can be reclaimed
And those who follow will not stay the same

We are Yours
We are Yours - together
We are Yours
We are Yours - forever
